OHCAccess Bulletin – 2/19/2016

For Distribution to All TSA Employees

System Migration to DHS Data Centers

The OHCAccess system is scheduled to be moved from the current data centers to the Department of Homeland Security (DHS) Data Centers this year. This move includes OHCAccess systems and applications below:

- Request for Personnel Action (RPA) system
- Managerial, Administrative, and Professional (MAP), Executive, and Federal Air Marshal (FAM) Offer Management Interface (OMI)
- Employee Relations (ER), Office of Inspection (OOI), and Office of Professional Responsibility (OPR) Case Management Systems and Unitary Dispute Resolution System (UDRS)
- Reports
- HCInsight
- Candidate Dashboard
- Retirement Dashboard
- OHCAccess website
- eOrientation (Entry on Duty [EOD] Online)

The transition is designed to be seamless for all users and operations are expected to continue as normal. Between April and August of 2016, a smaller number of enhancements will be implemented for a smooth transition of data centers.

Updates will be provided through OHCAccess bulletins throughout the transition period.
