OHCAccess Bulletin – 8/3/2016

For Distribution to All TSA Employees

Federal Long Term Care Insurance Program (FLTCIP)

To provide current enrollees of the Federal Long Term Care Insurance Program (FLTCIP) an opportunity to minimize the impact of rising premium costs, the Office of Personnel Management (OPM) is holding an enrollee decision period from **July 18, 2016 through September 30, 2016**. Enrollees who do not take action will continue their current coverage and their premium will increase on or after November 1, 2016.

Enrollees may have already received an offer package from Long Term Care Partners (LTCP), the administrators of FLTCIP. The package contains personalized options for impacted enrollees. Enrollees may also visit www.LTCFEDS.com/myaccount to sign in or register for an account and review their personalized options. Eligible enrollees who choose to reduce their coverage or keep their current coverage (with the premium increase) will be able to do so without underwriting. Coverage increases require full underwriting.

The effective date of coverage changes that do not require underwriting will be November 1, 2016. If approved, coverage changes requiring underwriting will be effective the first day of the month following approval of the request, but not before November 1, 2016.

This decision period is **not** a general open season for all employees, annuitants, and qualified relatives. It's only for those currently enrolled in FLTCIP.
