**For Distribution to All TSA Employees**

### **2016 Combined Federal Campaign, “Show Some Love”**

This fall you have the opportunity to make a pledge to your favorite charity through the Combined Federal Campaign (CFC). This year the theme is “*Show Some Love*”, which emphasizes the impact each person can have when he or she cares for others. Imagine what \$5 per week from each TSA employee could do for your cause!

Giving to CFC through your payroll deduction:

- Makes giving a greater contribution easier than giving a one-time lump sum
- Gives your charities a steady source of revenue throughout the year
- Is convenient for you and, in most cases, you can pledge online and receive a record of your contributions for your tax records

**You can determine the amount and the organizations that receive your contributions.** There are more than 20,000 non-profit organizations around the globe from which to choose.

CFC is the world’s largest, most successful workplace giving campaign. Since its creation in 1961, CFC has raised more than \$7 billion for the charities designated by Federal employees. The CFC comprises 125 geographic regions throughout the U.S. and overseas. Each region sets its own campaign dates and has a unique listing of local charities. Federal employees may participate only in the campaign area where their official duty station is located.
