SAMBA Employee Benevolent Fund (EBF) Open Season

The Employee Benevolent Fund (EBF), which is administered by the Special Agents Mutual Benefit Association (SAMBA), is conducting an open season for eligible Transportation Security Administration (TSA) employees through March 31, 2017. The EBF provides an immediate, one-time death benefit within 24 to 48 business hours after TSA receives notification of your death. This is to help sustain your loved ones until other survivor benefits can be paid.

SAMBA offers two coverage options:

1. $17,500 of life insurance coverage, costing $39 annually
2. $35,000 of life insurance, costing $78 annually

During the EBF open season, TSA employees may enroll in the EBF for the first time, increase their level of coverage, or decrease their level of coverage. TSA employees eligible to enroll in the EBF include:

- active, full-time, permanent TSA employees
- active, part-time, permanent TSA employees
