Total Compensation Tool for TSO D Band

OHCAccess is pleased to introduce a new, online recruiting tool to attract potential candidates for D Band Transportation Security Officer (TSO) positions. The Total Compensation Tool provides job seekers with a way to measure the value of a position at the Transportation Security Administration (TSA) when evaluating other job options. The Total Compensation Tool is an interactive tool available on the OHCAccess website's candidate portal. The tool allows job seekers to “walk through” the numerous benefits of being a federal government and TSA employee, and the associated value of these benefits in terms of total compensation an employee may be eligible to receive.

The Total Compensation Tool is available via this [link](#).
