

Bulletin for ALL TSA Employees – 1/17/2019

**2018 Employer-Provided Health Insurance Offer and Coverage
(Form 1095-C) Update**

In Pay Period 01, 2019, the National Finance Center (NFC) will begin the process of printing and mailing year 2018 Form 1095-C, Employer-Provided Health Insurance Offer and Coverage as required by the Affordable Care Act (ACA), by March 4, 2019 to applicable employees. As the mailing process takes additional time, the quickest way to receive the forms will be through the Employee Personal Page (EPP) or click [here](#).

Currently, NFC does not have a definitive issuance date, though it is expected that these forms will be issued in mid-February. A follow-up notification will be issued when a more definitive date is known.

Note: On November 29, 2018, the IRS extended the reporting deadline from January 31, 2019, to March 4, 2019. The form will not delay anyone's tax filings as it is not needed for Federal or State Income Tax filings. The form is issued for informational purposes only as required by ACA.
