Upcoming eOPF Outages September 7 – 9 and September 14 – 16

Over the September 7, 2019 weekend, the Office of Personnel Management (OPM) will implement the second and final phase of its major electrical power system improvements.

Due to the high voltage involved and the cross connection of core components, these maintenance activities will require a full shutdown of all applications and services, including eOPF (electronic Official Personnel Folder) and EHRI (Enterprise Human Resources Integration), for the duration of the power system upgrades.

Applications will be unavailable from 12:01 a.m. Eastern Time on Saturday, September 7, 2019, through 7:00 a.m. Eastern Time on Monday, September 9, 2019.

eOPF will upgrade to eOPF 5.1 over the September 14, 2019 weekend.

For this upgrade, the eOPF application will be unavailable from 12:01 a.m., Eastern Time on Saturday, September 14, 2019, until 6:00 a.m. Eastern Time on Monday September 16, 2019.
