Voluntary Leave Transfer Program – Leave Donations

As a reminder, to become a leave donor, an employee must complete and submit a signed Leave Donation Request form.

1. There are two types of leave donation forms:
   a. TSA employees who want to donate leave to other TSA employees should use TSA Form 1128-1, VLTP Leave Donation Request (TSA Form 1128-1).
   b. TSA employees who want to donate leave to employees of other Federal agencies and employees of other Federal agencies who want to donate annual leave to TSA employees should use OPM Form 630B (OPM 630-B).

   Note: On either form, the leave donor must identify the leave recipient, the type of leave, and the number of hours of leave to be donated to the leave recipient.

2. Donating to a VLTP Recipient at TSA
   a. TSA employees may donate annual leave, sick leave, and compensatory time off in lieu of overtime pay (CT) to approved TSA leave recipients for medical emergencies.
   b. Employees may only donate annual leave and CT (not sick leave) to approved leave recipients for non-medical emergencies associated with loss of home or personal property by a natural disaster.

3. Donating to a VLTP Recipient Outside of TSA
   a. The TSA VLTP does not allow employees to donate sick leave or CT or to receive sick leave or CT donations from other Federal employees even if the other agencies allow such donations for their employees.
   b. Annual leave only may be received or donated.

4. VLTP Donations should be submitted only after the approval is received for the VLTP recipient.
   a. A listing of VLTP recipients can be located on the TSA iShare Home Page, which is updated every pay period.
b. The VLTP recipient listing is organized by Organization or Airport Code. Recipients are listed under the Organization or Airport name provided in block 6 of TSA Form 1128, **VLTP Leave Recipient Application**. **Note:** Recipients located in DC or Virginia field officers are listed under HQ.

c. The VLTP recipient list reflects only those recipients who have selected to have their emergency publicized.

5. To eliminate duplicate processing, submit donation forms via email or fax, but not both.

6. To ensure timely processing, do not submit donation forms in batches. Each donation form should be submitted separately and receive its own service request (SR) number.
