## What is the “Fast Track to Hire” Event?

- TSA Nantucket (ACK) is now hiring both full-time & part-time Transportation Security Officers (TSOs) starting at **\$21.10/hour**
- This event will provide you an opportunity to accelerate the TSO hiring process
- No experience is required

If you successfully complete the candidate evaluation process and are selected for a TSO position, you will play a vital role in supporting the TSA and Department of Homeland Security (DHS) mission.

## What Should I Expect?

This event will feature multiple hiring process steps in one day. Provided you pass each hiring process component, your day could consist of:

- Attending an **Information Session** to learn more about the TSO position and employment with TSA;
- **Applying** for the TSO position, if you did not apply online prior to the event;
- Taking a **Computer Based Test** to evaluate English language proficiency and x-ray interpretation aptitude;
- The candidate evaluation process may take up to four hours. Consider arriving to the event early to allow more time to complete the full process.

## Tips for the Event

- Apply online in advance of the event for quicker processing
- Arrive 15 minutes before any scheduled session to check-in
- Bring two valid forms of state or federal issued identification\*

*\* Forms of Identification: Upon arrival to the facility, you will be required to present two forms of identification (i.e., passport, driver’s license, birth certificate, etc.; photocopies not accepted). At least one form of identification must bear both a photograph and a signature. You will not be admitted to the test without these two pieces of identification. Both forms of identification must be legible, unexpired and issued with your full legal name, which must match the name on your TSA job application.*

We are excited that you are considering employment with TSA. The TSO position is a great way to start a career with the Federal government. From the TSO position, the opportunities are endless. Many Officers opt to follow a career path within TSA while others eventually transfer to other DHS components (such as Customs & Border Protection, Immigration and Customs Enforcement, etc.) or other federal agencies during their career.

Federal employees working full-time or part-time are eligible for Federal benefits and retirement once eligibility requirements are met. These benefits include, but are not limited to health insurance, dental insurance, life insurance, flexible health care spending accounts, federal retirement benefits and many more. Health insurance is offered through the Federal Employees Health Benefits (FEHB) program. The health benefit program has many plans to choose from and all at group rates, which can be paid for with pre-tax income.
