SECTION B: EMPLOYEE'S ACKNOWLEDGEMENT

I request that leave be transferred to the leave account of the approved leave recipient identified above. This recipient is not my immediate supervisor. As of the date indicated below, I have enough of the designated leave in my account to cover this amount.

The amount of annual leave I am transferring is not more than ½ the number of hours I will accrue this leave year. I understand that the number of restored hours of annual leave that I may donate is limited only by the number of available hours I have to my credit.

I understand that the number of hours of compensatory time off in lieu of overtime pay that I may donate is limited only by the number of available hours I have to my credit. I understand that I may not donate compensatory time off for travel and compensatory time off for religious observances.

I understand that the number of hours of sick leave that I may donate is limited by the requirement for full-time employees to retain a balance of 80 hours for personal use. Part-time employees must retain a balance equal to the number of hours in the biweekly tour of duty as reflected on OPM SF-50, *Notification of Personnel Action*.

I understand that my decision to transfer leave is not revocable.

I understand that if a sufficient balance of unused annual leave or sick leave remains after the recipient's emergency has terminated, I can elect to have a pro-rated share returned to me during either the current leave year or the following leave year, or I can elect to donate my pro-rated share to another leave recipient. However, to do so, I must still be employed by TSA on the date the recipient's emergency terminates.

I understand that unused compensatory time off in lieu of overtime pay hours will not be returned to me. Any unused hours will be forfeited by myself and the leave recipient.

I have not been directly or indirectly intimidated, threatened, or coerced, or promised any benefit by any employee for the purpose of donating or using leave.
